**COMMENTS:** DFF Faithful Beauty is a very promising young heifer who's starting to perfectly replicate her dam's awesome horn set- flat, perfectly lateral and twisty! Her paint job is extremely unique, which is expected when you look at her paternal line. Her sire, Trust Your Faith, is a super flashy bull out of The Profit, who's really starting to make his mark on the East Coast. Here's your chance to get in early on one of his first and most colorful daughters! She's an easy keeper, calm, quiet and would be a great addition to any herd!

**COMMENTS:** Deep and wide are the ways to describe this mahogany beauty! She's got the body we all breed for and passes it on to her offspring. She's an own daughter of the great ZD Kelly and out of an Emperor daughter! She measures just a tick over 83.5"TTT and is still going. She sells exposed to DCR Roman's Patriot; if you've competed in bull futurities, you know that name. The Cote's showed him across the country and had to take a second truck to haul home their winnings. This is not only a spectacular cow, but she's carrying your next futurity winner!

**COMMENTS:** This incredible big-horned, big-bodied, young female is carrying a complete genetic outcross calf, adding Cowboy Tuff Chex for the first time in history to the 100"TTT Horseshoe J Example son, Formal Attire! **DAM:** Star's Southern Eloquenc

**BREEDING:** Exposed to Heart Breaker from 6/1/2023 to 8/1/2023, Hubbells Butch Cassidy from 8/2/2023 to 12/1/2023 and Heart Breaker again from 12/2/2023 to sale date.

**COMMENTS:** This young 2020 gal will be in the 80"TTT very shortly. Her first calf was the craziest colored calf of 2023. It seems our red cows are some of the best color producers on the ranch and she's no different. Her sire is CV Call of Duty, the 4x HSC Champion with over 85"TTT and 107"TH. Her granddam is the \$25k FL Rio Maxine. Her dam has produced several HSC Champions that went back to Happy 9, the full brother to Heart Breaker. So, we exposed her back to Heart Breaker (90"TTT) to allow that cross to develop. She has absolutely no flaws and did an exceptional job on her first calf.

On the bottom side you have a daughter out of the million dollar syndicated Sittin Bull, out of one of G&G Longhorns' best producing females this millennium, 7LS Miss Pokey. PB Six Hour Ener-Chi has been exposed to M.C. Rain Man (sired by MC Hangin' Tuff and half-brother to WT Kid Rock on the bottom side). This cross is going to put a ton of power and body into the calf. **BREEDING:** Bred to Tuff It Out.

**COMMENTS:** Sweet LTL Brandy Jane is one of my uncle's cows we've had a privilege watching for the last three years. She is bred to our Cowboy Tuff Chex x Winning Smile son, Tuff It Out, who weighs over a ton and has perfect mid 80" TTT horns). We expect a nice calf, given the stacked Cowboy Tuff Chex genetics. Her mother, Lazy J's Calamity Jane, measures 114.5" TH and will remain in our herd. Her half-sister sired by Time Line, LTL Sarah Jane, is one of our most impressive heifers on the property. LTL Brandy Jane is easy to work, holds her weight well in any season and has correct horns measuring 71" TTT on 11/7/2023.
