

The East Coast Heifer Futurity

The East Coast Longhorn Classic Sale, Culpepper, VA

2018 Sponsorship opportunities

The 2018 Cherry Blossom Futurity is where all futurities began. The original futurity, The Millennium, began in this same sale barn.

We work hard to make sure this futurity is beneficial to the Longhorn breed and the East Coast breeders. We want to keep this event going and growing, bringing in more and more people to participate. The Sponsorship goes directly into the payouts for the show. Bigger payouts attract more people and grow the payout pots. Futurities are one of the few events that allow you to profit from your cattle without selling them.

Think of the exposure you'll get with the sponsorship and please consider helping us keep this event going.
