# Welcome

Fellow Longhorn Lovers,

We would like to welcome you to the 2nd Annual East Coast Longhorn Classic. Last year was a great success with great attendance, ZERO POs and over a \$5000 average in both the heifer and cow sales while promoting the strength of the East Coast Market. Our main goal with the ECLC is for it to develop into a showcase that allows breeders on the East Coast the chance to build their herd on Industry leading cattle and genetics while promoting their programs and saving the exorbitant cost of travel West to other sales. This year consignors stepped up in a big way, you will see one of the strongest sets of cattle that you'll find anywhere in the country. The vibe has been great the last few years on the East Coast, between all the kids running around, the fun everyone has, and the quality of cattle, it's hard to beat. As humble as we are, we think this is one of the most enjoyable events of the year. We say this because people like Angie Wulf, Lisa Luebbering, and Dale Metz, who came out for their first event in the spring, had no problem sharing their feelings on Facebook. So if you haven't been here yet, come on out!

This year we have continued special touches such the yellow highlighted over 80" animals and the 0% Commission for our Patron Sponsors as well as developed new ways to increase the fun like the BC Ranch Rule, check that explanation out with its logo. New this year you will find the Weaning Pen that will cater to our kids with safe and fun place to hang out throughout the weekend! We have a special surprise for the kids attending that we'll announce during the sale. Also, if you're reading this, we have a special surprise customized Yeti Rambler for the first person who takes a picture of themselves in a yellow shirt and cowboy hat while holding the East Coast Longhorn Classic sale catalog and posts it on Facebook tagging Ann, Bear, and Chase.

We can't thank everyone who supported this event thus far. If you look through this catalog, you'll see some amazing cattle. We asked these consignors to dig deep, when they showed us a pending consignment we told them "I think you got better, we want to showcase your cattle" and they dug deeper. Like we continue to say this sale belongs to all those wanting to grow the East Coast market. Its success derives from the industry's participation. Look at the amount of ads run and look at the small sale size. Why's that matter? People didn't want to overrun the sale with their culls. They wanted to put in their best. And that consists of their top few head. Not a dozen.

Of course, we can't forget our sponsors as there are over 20 OF YOU! The East Coast Longhorn Classic took the idea of a sponsor is very seriously. For many events this is just a donation, we wanted the sponsorships to work for you and built each level with special perks, such as 0% sales commission. We also wanted to thank Brent & Cindy Bolen and John & Tami Yake of Yake Travel who had no consignments but still wanted to support this event. We are thrilled to see all of at the 2019 East Coast Longhorn Classic. Thank you for your support and aide in strengthening not only the East Coast Market, but the Industry as a whole.

Sincerely,

*Ann Gravett, Chase Vasut & Bear Davidson*

## Why the yellow highlights?

We wanted to be different and create a new feature to your standard sale catalog. Each of the yellow highlighted animals are over 80" TTT. Thanks to Hired Hand, we were able to track down many of these measurements. Although we're well aware that there are many great cows under 80" TTT, we wanted to give some extra promotion to the consignments who pulled from the heart of their herds. Thank you to each and every consignor!

Internet Viewing & Bidding Courtesy of Hired Hand Live, a Product of Hired Hand Software [www.HiredHandLive.com](http://www.HiredHandLive.com)

Go to [www.HiredHandLive.com](http://www.HiredHandLive.com) and follow the prompts to either log in (if you've used our system before) or become a registered bidder.

We recommend using the internet browsers Chrome or Firefox, not Safari.

Bidders are required to register for each sale they wish to participate in. Viewers are not.

A Credit Card is required for online verification but will not be billed. Upon notification that you've placed a winning bid on an animal, the sale will invoice you with mailing instructions for payment by check, wire transfer or money order.

You can place absentee and max bids if you are unable to be online live during the sale. These bids are NOT seen by anyone other than Hired Hand staff and are placed automatically by our system to purchase the animal at the lowest price possible for you.

To also join Hired Hand's Mobile Marketing List and receive text updates of sale prices and buyers please text

"website.longhorns" to the number "77948."

There is no fee to participate and no buyer's premium. Internet buyers are responsible for coordinating their own hauling.

All terms and conditions listed in the sale catalog apply to on-line bidding.

# Consignors

## BC Ranch Rule

**Part 1-** There is a purse of \$2,000 that will be given to the High Seller's team, the consignor and the buyer will each get \$1,000 cash. We want to thank the consignor for putting in a great one and the buyer for thinking she was the best one.

**Part 2-** "Now U Know". Each consignor, prior to the sale, will fill out their own individual tab for their consignment guessing what their animal will be sold for. The consignor that is closest to the guess will receive a custom Yeti Cooler. If there's a tie the higher seller will win. If that is a tie we're having a dance off and the crowd will chose.

PROFILE  
DA VINCI CODE is an elusive, rare TEXAS LONGHORN bull.  
After our interviews regarding the subject, all agree  
this is a rare animal because of his pedigree.  
The term "OUTCROSS" is used frequently.

Subject has unusually large horn growth & stunning  
"BRINDLE" coloring.

Also considered a strong "PRODUCER" of similarly

## Bolen Longhorns

Lufkin, TX (100 miles north of Houston in East TX) | Since July of 1995, 24 years

BRENT & CINDY BOLEN

### What is your goal for your program?

*Our goal is to raise an animal that can compete in the show circuit, the horn measuring competitions, futurities and be in the top 5% of a sale. The cattle have to be reliable, which means they have to be sound, fertile, and well structured.*

### What is your favorite thing about raising Longhorn Cattle?

*When we ride through the pastures we evaluate each cow and then talk about how we would breed her, which bull would fix her problem areas. There's nothing better than watching those offspring grow and mature. And even after all these years we still enjoy riding out to look for new babies. We also enjoy the people that come with the cattle. We've made so many friends across the country and some of them are like family now. You'll usually find us making plans with 15-20 people after a sale or show so be sure to stop us to find out the plans when you see us. We'd love to get to know you!*

## Craft Ranch/G&G Longhorns Partnership

South Texas & Rochelle, VA | Partners Since 2012

CRAFT RANCH/ G&G LONGHORNS

### What is your goal for your program?

*We've always tried to partner on cattle that have been beneficial to each of our programs. We were partners on bulls like Sittin Bull and Outsider and are partners on cows now like Awesome Strawberry and BL Monika. Awesome Strawberry has sold over \$100,000 worth of offspring and BL Monika heifers continue to fetch top dollar.*

### What is your favorite thing about raising Longhorn Cattle?

*The bonds we've created. Not only are we all great friends, we work together on boards, our families spend time together outside of cattle. There's more to being great partners than just owning cattle together.*

## Circle Double C Ranch

Taft, TX | 9 Years

CHRIS & CHRISTINA CLARK

### What is your goal for your program?

*Be one of the premier longhorn herds in the country.*

### What is your favorite thing about raising Longhorn Cattle?

*The people I have met. Without the camaraderie of the friends I have made, I don't know if I would be still raising longhorns. People are what makes this industry so great. If you aren't having fun then why would you do it?*

## The Cow Gals - Rolling D Ranch & Broken Spur Ranch

Eclectic, Alabama & Lonoke, Arkansas | 30 years & 13 years

NANCY DUNN & KATHY KITTLER

*The Cow Gals have enjoyed traveling across the country attending longhorn events and new meeting new friends along the way. Rolling D Ranch located in Eclectic, Alabama is operated by Nancy Dunn who has been raising longhorns for 30 years. Broken Spur Ranch located in Lonoke, Arkansas is operated by Kathy Kittler who has been involved in longhorns for 13 years.*

### What is your goal for your program?

*Nancy strives to raise total package cattle that demonstrate consistent production. Total package requires correct conformation, adequate horn, color and good disposition. Jointly, The Cow Gals' goal is to produce animals that are versatile in use, able to excel in horn competitions, futurities, the show ring and have high hanging weights for beef production.*

### What is your favorite thing about raising longhorn Cattle?

*The uniqueness of each longhorn is fascinating and we appreciate them for their individuality. The joy they bring us, coupled with the wonderful longhorn people they have brought into our lives, is the greatest reward of being a longhorn breeder.*

ANN GRAVETT

### What is your goal for your program?

*"Enjoying the cattle." I love to be a part of the longhorn industry. I very much enjoy the people associated with the breed. I want to be able to continue to encourage the east coast industry with sales, futurities, and get together and to promote the animals as well as promote the good times that can be had at the events. With Bear and Shawn, I have a great team to work with.*

### What is your favorite thing about raising Longhorn Cattle?

*As most with say, it's seeing those new babies being born. It makes me realize how much I need to stop and take in the beauty of the cattle and the land they live on.*

### What is your goal for your program?

*To raise a complete package Texas Longhorn, big body, size, great conformation, great temperament, and of course that thing that really defines a Texas Longhorn, HORN length.*

### What is your favorite thing about raising longhorn Cattle?

*A number of things, #1 I would say the new people I have met and the friendships that have been made. #2 The different colors of these cattle. They can be born one color and 2 years later be totally different color. #3 is how docile these animals are.*

## Grove Cattle Company

DAN GROVE & FAMILY

### What is your goal for your program?

*Our goal is to continue raising exceptional animals while treating people fairly.*

### What is your favorite thing about raising Longhorn Cattle?

*The cattle are great, but the people are the best! Complete strangers become like family in a weekend.*

## TK Longhorns

Westville, FL | Since 1992

TERRY & TAMMY KING

### What is your goal for your program?

*Our goal is to raise the ultimate total package longhorn. We have fun placing in the futurities and horn measuring but still realize the importance of these cattle still being profitable as beef cattle. We would love to see the breed recognized as such. We expect our longhorn herd to be as productive as our commercial herd in all aspects such as breeding, milking and beef production.*

### What is your favorite thing about raising longhorn Cattle?

*The anticipation of a calf being born is our favorite thing. With the many color options and the answer of bull or heifer it never loses its appeal.*

*The farm is nestled in Dandridge, TN in the foothills of The Great Smoky Mountain, between two great lakes, Douglas Dam and Cherokee Dam. We are just a hop skip and a jump from Dollywood, Dolly Parton Stampede where Texas Longhorn steers are part of the dinner attraction. I purchased my first 6 young heifers and a bull in 2005. Their pedigrees were heavily influenced by my mentor and friend, Mr William "Bill" Derey. I attended my first 3 Texas Longhorn sale in the spring of 2006: B & C Sale, Cherry Blossom Sale, and Gulfport Mississippi Sale with Maurice Ladnier. By then I was fully addicted.*

### What is your goal for your program?

*When I came on board, the cows were just crossing that 70" T2T milestone. The Magnificent Seven had been found and measured. My goal was to have at least one 70" T2T cow in my herd. Color, pedigree and confirmation fascinate me.*

### What is your favorite thing about raising longhorn Cattle?

*By far my favorite thing I enjoy about the Texas Longhorns is finding their calves.*

DALE METZ

### What is your goal for your program?

We have sought out the best professionals in the longhorn industry to learn how not to just buy longhorns but to better the breed. The goal, for our animals, is for them to produce beautiful color, great horn growth, exceptional conformation, and gentle dispositions. Additionally, FHR Longhorns is happy to play a role in contributing to bright, young students' ability to reach their educational goals. We provide select animals to be shown by exceptional students. These students are selected based on their maturity, eagerness and understanding of what it takes to maintain the animals' health and well-being. Because of the students' willingness to accept the challenge and work hard, we provide the means to assist them in contributing to their own future by earning scholarship funds for college. Another passion for our program is to give back. FHR's favorite charities are the Custom Made Kid Foundation™ and the Green Beret Foundation.

### What is your favorite thing about raising longhorn Cattle?

There is nothing more peaceful than sitting in the pasture at sunset surrounded by beautiful animals. However, it's not just the longhorns that get to you. It's the people in the industry, as well. We have met many people who have taken us in and helped us in every way they can. The best word picture I can give is...Think of your favorite church you have ever experienced and the feeling of family you had while there, and that explains how longhorn family feels. The industry is such a pleasure to be a part of, and we look forward to being involved for many years to come.

### What is your goal for your program?

To maintain the integrity of the breed, by raising functional and correct cattle. We want to succeed in the sale ring, in the show ring and have success in futurities. While we enjoy having big horned animals, it is important to us that we have good genetics that maintain the great milking ability and easy birthing. Establish a market for selling our beef.

### What is your favorite thing about raising longhorn Cattle?

What's not to like? Beautiful cattle that bring in visitors from all over the country. We've made terrific friends that will transcend time. Keeps us well fed and content.

### What is your goal for your program?

We have always tried to raise cattle suitable for all levels of breeders. From new people starting out to established breeders trying to add good cattle with good genetics to their existing programs. We are hoping to continue this, and expand on this, when we go work with G&G in the near future.

### What is your favorite thing about raising longhorn Cattle?

Our absolute favorite part of raising Longhorns are the people. We have met some of the greatest people and made memories that wouldn't have been possible if it weren't for the Longhorns. Not all family is blood.

### What is your goal for your program?

*It would be nice to be able to raise longhorns for a living, but as of right now Im just trying to enter my best animals into these sales. Nothing beats going to a sale and seeing peoples best cattle and being able to gather with good friends!!*

### What is your favorite thing about raising longhorn Cattle?

*There's nothing better in this industry than the people!!! I started from scratch with no knowledge and within months i was getting information and help from some of the best breeders in the industry with nothing asked in return! Just great people and beautiful cows!*

**PROCEEDS BENEFIT THE TEXAS LONGHORN LEGACY GRANT.**

Texas Longhorn breeders are family. They have roots and youth, and, like any family, they have needs. The Texas Longhorn Legacy Group is committed, on the one hand, to preserving and honoring roots of both the breed and of important breeders, and on the other to helping fellow breeders in need. Toward that end, "The Longhorn Legacy Grant is designed to help

longhorn families address the epidemic of educational debt while, at the same time, making sure that the future of the breed doesn't forget the past while immersed in the present. Whether that debt arises from loans for college, a technical school, or some other recognized educational institution for which student loans are available, the goal is to help pay down, or off entirely, educational debt for Longhorn breeders.

We understand the significant sacrifices that every breeder incurs when they become involved in this industry we love so much. The goal is to make a direct impact on those with heavy debt while, in return, asking them to help all of us remember some of the Giants in this breed who are no longer here.

Those who apply for a grant will be asked to research and write an in-depth two part essay about past breeders who made a memorable impact on the breed while alive, folks like Ben Gravett, Joe Graddy, Joe Valentine, Mike Bowman, Mel Raley, John Allen, Bill Le'An, and Bill Davidson to name just a few. The first part will consist of interviews with friends and family of the person being remembered followed by a footnoted biographical sketch of that person of no less than 1,500 words. The second requirement will be an autobiographical sketch explaining the applicant's involvement in the breed, including but not limited to a description of their program, why and how they became interested and involved in the breed, their goals, and how debt is affecting their progress and their life in general. Each report submitted, whether a winner or not, will become the property of the Texas Longhorn Legacy Group, will be available, with proper attribution, to breeders and the public, and may be published in trade magazines or other media. The Texas Longhorn Legacy Group will be the sole judge of whether to make any award in a given year, and each award, if any, will be based on merit and not on any other criteria. Each year a panel of Longhorn breeders will be selected to review applications and to determine whether an award is justified and, if so, to whom it shall be given. Any winner will be honored and his or her check will be presented at the next Legacy Sale.

**BREEDING:** Bull calf at side by Excelerator born 5/2/19.  
 Exposed to **RHF Sharp Shooter** from 5/2/2019 to sale date.

**COMMENTS:** "Lola" missed her calling as a futurity heifer. What's not to love? Flat horn and plenty of it? Well bred? Great conformation? Plenty of color? Great mama with plenty of milk and a perfect udder? Docile and easy going? She's got it all. Sells with your future herd sire at side by Excelerator (Expedite **X Sittin Pearl**). To top it off she has been exposed to the legendary **RHF Sharp Shooter!** She's the kind of cow to build a program around if you want to be successful. ## HIGH LINE

Shamrock Valley Ranch, Jim & Barb Steffler

**DOB:** 4/28/17      **PH#:** 201/7      **REG:** CI307451  
**BREEDING:** Exposed to Pistol Packer from 10/31/18 to 6/1/19.

**COMMENTS:** This sleek, black, young heifer is bred for the "Total Package". Combining genetics from most of the great lines in the breed. These genetics include: Horn genetics, **Jester 90"** TTT twice, HCR & Butler. Body size & color genetics, **Jamakizm**, Overkill, Winchester & **Drag Iron!** Not only does she carry all the above "Top Shelf" genetics but she doesn't have any JP **Rio Grande/Cowboy Tuff Chex** genetics, making her the perfect out cross female to breed to bulls from that outstanding and popular line. That's exactly what we did. We combined High Lines, "Total Package" Genetics with **Cowboy Tuff** Genetics!!! She is palpated bred to Pistol Packer, a Black/red brindle Lineback bull sired by **Cowboy Tuff Chex** and he's out of a 91" **Jamakizm** Daughter!! That cross will add more color and even more Horn Genetics. Her calf will have four over 90+"TTT cows plus the 102" Tuff!

**SIRE:** HIGH NOON (HUNTS COMMAND RESPECT X **JESTER**)  
**DAM:** ANNEX LINE (ANNEX X SUPERIOR SUSPECT)

## KETTLE'S STAR

Lonesome Pines Ranch, John & Christy Randolph

**DOB:** 11/6/17      **PH#:** 722      **REG:** 278157  
**BREEDING:** Exposed to Lucky Replay from 3/20/19 to sale date.

**COMMENTS:** A very nice heifer showing size and correctness; out of the infamous Black Kettle and a dam that goes back to Lodestar and **Jamakizm**. We have her exposed to Lucky Replay, who is an embryo calf out of LLL Lucky and **JBM Becca II**. She did damage one horn, but it has not inhibited the growth at all. We will have current pregnancy status and horn measurements at the sale. All offspring Millennium Futurity eligible. She's as slick as a new minted penny!

**SIRE:** BLACK KETTLE (SITTIN BULL X PC CINNAMON SPICE)  
**DAM:** BRR PACIFIC STAR (LODESTAR 43/2 X PACIFIC HARMONY)

## CR STRONG MEDICINE

5D Ranch, Dan & Denise Huntington

**DOB:** 3/19/17      **PH#:** 45/7      **REG:** 277745  
**BREEDING:** Breeding to be announced, currently not exposed.

**COMMENTS:** A super looking young **Concealed Weapon** daughter we purchased from Alex Dees, really hate to part with this kind of heifer, but it's the East Coast Classic and we wanted to bring a good one! She was 53.25" way back in December I will have updated breeding along with measurements at sale time.

**SIRE:** **CONCEALED WEAPON** (SHARP SHOOTER 542 X **HORSESHOE J EXAMPLE**)  
**DAM:** MTR MEDICINE GIRL 13/100 (MEDICINE MAN EOT 16/10 X MI TIERRA VACA 01)

## G&H SWEET & LOW

Gravett/Hunt Partnership, Ann Gravett & Dale Hunt

**DOB:** 9/9/18      **PH#:** 855      **REG:** Pending  
**BREEDING:** Sells unexposed.

**COMMENTS:** This is a knock out little heifer coming from two top notch programs. On the top side you have a ton of power, mid 80s **Concealed Weapon**, over 90" TTT **Horseshoe J Example**, 97" TTT+ **Eternal Flame**, 90" TTT + **Eternal Tari**. On the bottom side you have RM **Checkered Flag** who sired the over 90" \$360,000 **3S Danica** along with the 80" TTT Haley's Diamond, and lateral twist G&H Pure Sugar. This heifer should be the 3rd generation of twist. Just look at the power. There's no Tuff, Catchit, Rio, HCR, Tejas Star, MC Super Rex, Houdini, Sharp Shooter, Sniper, she'll make a great outcross to any program.

**SIRE:** 3P CONCEALED HAMMER (**CONCEALED WEAPON** X **SHAMROCK ETERNAL FLAME**)  
**DAM:** G & H PURE SUGAR (RM **CHECKERED FLAG** X RRR **HALEY'S DIAMOND 526**)

G&G Longhorns, Ann Gravett

**DOB:** 10/30/12      **PH#:** 266      **REG:** 262931  
**BREEDING:** Sniper from 11/23/18 to 2/25/19 and from 6/25/19 to sale date.

**COMMENTS:** This is one of the most impressive cows you've ever seen. She measured 87" TTT in March of 2019 and weighs 1300lbs- she's large. She's an easy keeper and always carries great flesh on her, just what you want in a mama cow. She's never been flushed. She's bred to Sniper, our 86" TTT black and white LWC winner. This cross should be magical.

**SIRE:** M.C. SUPER REX (SUPER BOWL X J.R. OPUS)  
**DAM:** J.R. GLEEFUL (GUNMAN X J. R. JOYFUL)

### SHAMROCK BEAUTY QUEEN

Shamrock Valley Ranch, Jim & Barb Steffler

**DOB:** 3/31/16      **PH#:** 160      **REG:** CI304090  
**BREEDING:** Exposed to Reagan Texa 9/15/18 to 1/15/19.  
Exposed to Pistol Packer 2/1/19 to 6/1/19.

**COMMENTS:** This heifer got her name for a reason. She's down right gorgeous! From the day she was born she was the center of attention. As she matured, we realized her horn set was special too. Not only is she great to look at but she reproduced it with her first calf, a heifer we are retaining that is colored just like her mama. The horn set too! Sired by the great horn producer "Sniper" from the "Top Caliber" Line, she also has Rio, Butler and Tari Graves genetics. Beauty Queen has been palpated bred to our young herd sire, Reagan Texa. Reagan measured 39.25" TTT at 12 months old!!! He is sired by **Concealed Weapon** bringing in the 90" TTT **Horseshoe J Exampale** cow on the top side and he is out of the great producing Shamrock 2Spot Van Horne, who is out of the World Champion Cow, Texana Van Horne over 88" TTT the longest true black cow in the breed to my knowledge. Beauty Queen is a wonderful Heifer.

## WHAT'S THE WEANING PEN?

It's where all the kids go! We value the family side of this industry so much. Between Ann when her kids were little at sales, and myself as the little boy running around events, Shawn's kids seemly growing up at these sales, it's been important to us to keep these kids involved. You'll see a ton of kids running around at our sales and ranch events. We love that. Ann had this idea to make them their own area. So this year they'll have that at the East Coast Longhorn Classic.

A very special thank you to Brandy & Ryan Schmidt of Rocky Meadow Longhorns for sponsoring the Weaning Pen. The reason this event is so successful is because the market sees it as a value. And for that we thank you more than you'll know.

There are some great things happening for the future of this breed at the East Coast Longhorn Classic. Don't miss it.

# Terms & Conditions

## TERMS & CONDITIONS:

All cattle sell under the terms and conditions listed in this catalog.

## PAYMENT:

Cash or check at end of sale

## LIABILITY:

All persons attending the sale do so at their own risk. The sale host and/or the sale management and/or consignors assume no liability for accidents, theft or damages on the sale facility site.

## HEALTH TERMS:

All cattle selling will be accompanied with a valid health certificate to be shipped anywhere in the continental United States.

## BIDDING:

Each animal will be sold to the highest bidder with reserve.

## BIDDING DISPUTES:

The auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

## TERMS:

Terms of the sale are cash or check to the clerk at the conclusion of the sale. Checks are made payable to the East Coast Longhorn Classic Sale.

## POSSESSION:

Immediately after the animal is sold, it will be the sole risk and responsibility of the buyer thereof, but possession cannot be obtained until payment is made.

## CERTIFICATION:

A certificate of registration will be furnished and transferred to the purchaser on each lot in the sale, including calves at side.

## HEALTH:

Bidders should consider individual state requirements before purchasing.

## GUARANTEE:

Breeder guarantees are strictly between the individual consignor and the purchaser at the sale. All calves at side are given to the purchaser free and carry no guarantee.

## NOTICE:

The purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

## PEDIGREES:

The seller has furnished the information on the pedigrees of the animals announced.

## ANNOUNCEMENTS:

All announcements from the auctioneer block shall take precedence over information printed in the catalog.

## CONTRACT:

The above terms and guarantees shall constitute a contract between the buyer and seller of each animal sold. No cattle may be loaded up until after the sale. All cattle must be out by noon Sunday, Sept. 30, 2018.

## BUYER RESPONSIBILITY:

Prospective buyers or bidders at the sale should listen carefully to all announcements made from the auction block by the auctioneer, pedigree reader, or seller on each animal that is sold. Buyers should acquaint themselves with terms concerning the breeder status, fertility, and health papers on each animal sold. It is the responsibility of the buyer to be aware of health regulations for transportation of animals into the state of their residence. By doing so, a buyer can save himself many problems and also enable himself to be more competent and qualified buyer.
