# JUST A HANDFUL

Rocky Meadow Longhorns, Ryan & Brandy Schmidt

**DOB:** 5/14/2025    **PH#:** 5/5    **REG:** CAI356003

**SIRE:** DH Hired Hand (HL Higher Ground x DH Rough Start)  
**DAM:** Uncommon HH (Hubbells 20 Gauge x WPR Uncommon)

**BREEDING:** Not Exposed.

**COMMENTS:** OCV'd. Here's your chance at a daughter of the undefeated futurity champion, DH Hired Hand, out of one of our top producers, Uncommon HH, who's out of the one and only Hubbells 20 Gauge. Just A Handful is probably the best heifer we've ever bred and raised and exactly what we are striving for here at RML. This girl has everything you want in a young heifer, color, body, quiet and easy going all while sporting plenty of horn. She measured 28.75" over a week before turning 9 months old. Who ever the lucky bidder is to add this beautiful female to their herd will not be disappointed.

LOT #2

# HL FOXY TULLA

RTG Ranch LLC, Brightman Family

**DOB:** 6/27/2014    **PH#:** 62/14    **REG:** CI295015

**SIRE:** Fox Chex (JP Rio Grande x BL Foxy Lady)  
**DAM:** 4G Julio's Tulla (Julio's Leyenda ECR x 4G Overwhelming Tulla)

**BREEDING:** Exposed to MC Rocketman from 8/01/2025 to 10/30/2025, MC Rain Man from 10/31/2025 to 11/29/2025, and Hubbell's Butch Cassidy from 12/12/2025 to 1/23/2026.

**COMMENTS:** OCV'd. HL Foxy Tulla is a proven producer and a well-known name across the East Coast. She has consistently delivered quality, size, and predictability in her offspring, making her a valuable addition to any serious breeding program. She is the dam of Sly Fox (85.5"TTT) and Rowdy Player FHR, who surpassed an impressive 90"TTT before 6 years of age. Her production record speaks for itself. Given her outstanding history, we flushed her with great success to MC Mr. Big Stuff and Hubbells 20 Gauge, further reinforcing the strength of her genetic foundation. She is bred to our bull, M.C. Rocketman, who is known for adding additional leg, body, and overall dimension. Opportunities to purchase a cow with this kind of track record and genetic power don't come around often. HL Foxy Tulla is the kind that builds programs.

**BREEDING:** Exposed to Ambro BCR 253 from 7/28/25 to 10/14/25.

**COMMENTS:** OCV'd. Riverforks Janie Bell is a nice young heifer with an amazing pedigree. With greats such as Fifty-Fifty BCB on the top and bottom, Jamakizm's Alphie, Dunn Lucky Penny (112"TTT) and Drag Iron, you don't want to miss out on this one. She is confirmed bred to our herd sire, Ambro BCR 253, who measured 89.25" on his 3rd birthday.

**BREEDING:** Exposed to Bob Lee BCR 934 from 1/1/25 to 5/22/25 and Rum Runner CPL from 8/5/25 to sale.

**COMMENTS:** OCV'd. Tacocat is very nice dun colored PCC Run Away Gray daughter. Her maternal line is exceptional tracing back to Ringa Dinger. Other cows in her pedigree include; WF Dumping, Working Woman, Poco Lady BL, Horseshoe J Feat and Horse Head Show Time, lots of "Cow Power" in this package. Thought we would focus on bringing young cows to the sale thereby providing years of production. Exposed to Bob Lee BCR 934, a two-time HSC Champion to 5/22/2025 for a repeat performance of her first calf. **BREEDING:** Exposed to Triumph (Journeyman x TT Jaguar Josie), our herd sire, from 11/20/2025 to sale date for a fall 2026 calf.

**COMMENTS:** OCV'd. Beautiful granddaughter of the late great Fifty-Fifty BCB. She has a pedigree that just makes you say WOW! Hello Kitty last measured 78.5" TTT and has a ton of rolling total horn. We have two heifers we are retaining from different sires and both have horns that are cranking back and rolling, just like their dam. Talk about consistency. She is exposed to our herd sire, Triumph, for a fall 2026 calf. Matching those two pedigrees makes me think this will be the best pairing with her thus far.

**BREEDING:** Exposed to Ambro BCR until 1/26/2026.

**COMMENTS:** OCV'd. May Ola is a cow that checks all the boxes. She is built perfect from nose to tail, stands sound on all four feet, calves every year, and raises a big healthy baby every time. At over 89" TTT she'll be 90" by the time she gets off your trailer. She is coming to town with an absolute knockout heifer at her side by Hubbells Jeremiah. Look at the structure on this heifer! May Ola is exposed back to Ambro BCR, a bronze-winning young bull who was 89" TTT on his 3rd birthday.

**COMMENTS:** OCV'd. Don't Stop The Nite's Silhouette is our first ever consignment from us at DCC Legacy Longhorns. We waited till we had a heifer we were truly proud to offer that showed the kind of animals we strive to produce and this girl checks all the boxes. From horn to color to pedigree she's got it all. Her sire is a true black and white son of Don't Stop Believin' contributing to her color, size, and temperament. Her dam is MM Miss Grand Safari. Follow that extremely powerful maternal line and it'll be no surprise this heifer bred on her first cycle to LTL Kodiak. She measured 61 3/8" TTT and 70" total horn at 21 months. OCV'd and tested Johnes negative. We are so proud of this heifer and how she's growing.

**COMMENTS:** OCV'd. 2A Catchit Queen is exactly what we like to see in a stout, deep-bodied, and feminine, yet powerful. She's the kind that commands attention in the pasture and stands on a strong foundation of proven genetics. She is sired by the legendary, Cowboy Catchit Chex. Known for stamping his daughters with a refined, feminine look without sacrificing size, body, or structure, his influence is easy to see in this female. On the bottom side, she brings in a genetic package known for creating horn movement and twist — adding that extra eye appeal we look for! We have her bred to our bull, MC Rain Man, who is known for adding length, extension, and continuing the twist that everyone is chasing. This mating combines body, femininity, and horn design in a way that should result in a standout calf.
